

„Kolping is sacred to me!“

As a global community with over 400,000 members in more than 60 countries, we want to send a message on the occasion of the 30th anniversary of the beatification of Adolph Kolping: **Kolping is sacred to me!** In order to spread the principles of his life and work, which are still effective today, we have launched a petition for the canonization of our association's founder. Each signature represents a life that has been positively touched by Adolph Kolping.

Join our campaign today! With your signature and your prayer, you show your support for the recognition of the life and work of Adolph Kolping.

The signatures from all over the world will be handed over to Pope Francis on the occasion of the celebration of the 30th anniversary of the beatification of Adolph Kolping.

It is also possible to sign online at www.petition-kolping.com. Please take part in the petition only once – either online or by signing this sheet.

This is how it works:

1. Print out the signature list.
2. Have it signed by as many people as possible.
3. Return the signed list. You can send a photo or a scan of the completed list to petition@kolping.de or send the list by mail to **Kolpingwerk Deutschland, Keyword: Petition, Sankt-Apern-Straße 32, 50667 Köln, Germany.**

Thank you very much for your support!

Privacy notice

The Kolping Society of Germany takes the protection of your personal data very seriously.

- The collected data will be used exclusively for the aforementioned petition.
- Within the context of the petition, the following personal data will be collected and processed: first and last name, email address, and country.
- We collect the data necessary to carry out this campaign (see above) in order to determine the number of supporters of the petition, to exclude double entries, and to determine the regions (countries) of the supporters.
- Your personal data will be processed exclusively for the abovementioned purpose and will not be transferred to a third country.
- There will be no profiling pursuant to Art. 22 (1) and (4) GDPR.
- Your personal data will be deleted from the storage system of the person responsible for data collection within 30 days after the petition process has been completed.
- Within this process, the necessary data is also passed on to the respective authorities, e.g., government agencies or politicians, in accordance with the right to petition (Art. 17 of the German Basic Law), to ensure that only persons who actually exist are taking part.
